President's Report

Another busy month behind us and another one ahead. We are getting close to our big entrance to national television with Channel 7. More information to come. We are having a terrific response to our registrations and looking at adding again to our team numbers this year. Teams and coaches will be organised as soon as possible. We are closely working with other clubs to develop all sections of cricket in our club. We are also with various organisations to try to establish clubrooms for our great club.

A fantastic idea by Laura Morrell will encourage those who have retired from cricket (me for one) to make a come back. We will get more information out.

I would like to thank those in the club who are working very hard to get ready for another successful season. I would especially like to thank, Sophie, Jade, Toby and Serena. It is noticed by other clubs how many of our families and committee attend events. You all make this club a success. I look forward to catching on my rounds during the season.

REGISTRAR

Thank you to all our families who have registered for this season. We have had quite a few new faces join us this year which shows us that our loyal players are talking about our club and wanting their friends to come and play too!

Most of our teams are now full but we do have spots available in some teams. If you are yet to register or you know someone who is still deciding, please email me ASAP and I'll let you know if there is room in your chosen team.

We are still taking registrations for our Woolworths Cricket Blast programs.

Junior Blasters for 5-7 year olds and Master Blasters for 7-10 year olds.

Many of our U10-U17 players began their cricket journey in our Grass Roots programs. This is where they learned the basic skills to help shape them into the cricketers they are now.

There is still time to register for the Cricket Blast season which begins on Saturday October 26th.

We are also running our Inclusion Programs this season and there is still time to register for these too. Star Blast is for children aged 5-12 and Youth Integrated Cricket League is for children aged 13-18.

You can register at www.playcricket.com.au

As always, if you have any registration questions please get in touch.

Social Cricket

What an action packed off season it has been for many keen cricket ladies. The indoor cricket world has really taken off with many of our Quinns ladies taking on the challenge and giving it a go. The competition has extended so far with more ladies joining and we currently have six teams competing on a Monday evening at Bouncer in Joondalup.

The first 10 week season was played from July through to September and season two is fast coming to an end with finals commencing on 9th September. It has been great to see so many ladies getting involved, improving their skills and most of all having fun!

We hope to see many of you taking on the next challenge in

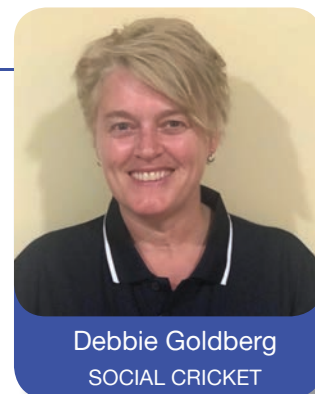

the field! Our T20 competition commences from October through to December and February through to March.

If you are interested in playing T20 or finding out more please contact myself:

qrjcc.social@gmail.com

Looking forward to getting amongst it with you all in the coming season.

Cheers Debbie.

What's been Happening

REGISTRATION DAY AT BOUNCERS

What a fun morning we had at Bouncers for our Club Registration / Information Day on 10th August. It was lovely to chat to our members who popped in to see us, as well as lots of new people enquiring about playing cricket at Quinns.

A BIG thank you to our superstar special guest for the day, Australian Cricketer - Jason Behrendorff, for joining us and chatting to all his little (and big) fans.

WANT THE BEST SEAT IN THE HOUSE? BECOME A CRICKET UMPIRE!

AND earn some extra money?

Our North West Metropolitan Cricket Association is looking for children to umpire junior cricket games this season. Junior Umpires get paid per game and all training is provided as the WACA at no cost.

Ideally, children should have completed the U14's competition in the 2018/2019 season. Alternatively, children who have previously played cricket who no longer participate, can express their interests as well. Umpiring appointments will not affect any children's ability to still play cricket.

If any children are interested in taking up a role as an umpire please e,ail qrjccx6030@gmail.com for further information.
